

...our natural strength

06 October 2011

Performance under challenging conditions is an everyday expectation - so you'll need a partner capable of delivering.

At CLS our legally qualified underwriting experts have created an innovative range of insurance solutions for your title related needs. Brian Chrystal, Underwriting Director and Solicitor, gives his take on the property market and looks at uncertainty and its place in legal practice and also at some ancient and more English peculiarities.

For a visionary approach to title insurance contact Brian today on 01732 897 530 or email underwriters@clsl.co.uk.

⇒ **Change is all around - not only regulatory and competitive change, but developments in property case law and legislation, too. Brian Chrystal gives a personal perspective on uncertainty on uncertainty and its place in legal practice.**

"What do lawyers do? The central thesis... is that business lawyers are engaged in managing uncertainty for their clients and themselves. Managing uncertainty is accomplished through interaction, rather than appeals to the law"...

⇒ **Problems Ancient and Modern: A Quick Look at Some English Peculiarities.**

It's always difficult to throw old things away, and doctrines from mediaeval times or before live on in English law. But even historical curiosities can still bite. Homeowners can face major financial liabilities, and developers can be forced to dismantle parts of new buildings or abandon whole projects....
